

make the most of SUMMER BREAK!

When school is out for the summer, your children could lose a lot of what they learned during the school year. **Keep your children's brain active over summer break**, so they can return to school on track and not behind.

check out these free resources

To access these free resources online, use the **QR code** or visit:

gradelevelreadingbaltimore.org/make-the-most-of-summer-break

Visit your local **Enoch Pratt Free Library**.

Register your child for a summer program at **Baltimore City Rec and Parks** and at **Baltimore City Public Schools**.

FREE online resources:

- **Free phonics worksheets.**
- Play learning games on **Starfall** and **ABCya!**.
- Check out **Kids A-Z** for Baltimore City Public Schools students in grades K-3. With this program, your child can listen to or read thousands of books. Ask your child's school for login information.
- Practice **sight words**.

Watch these videos to see how you can help your child build their reading skills.

Read with your child...

...every day if possible!
You can read books with your child, but you can also read signs, food labels, ads, and more together. Reading is everywhere!

make the most of SUMMER BREAK!

When school is out for the summer, your children could lose a lot of what they learned during the school year. **Keep your children's brain active over summer break**, so they can return to school on track and not behind.

try these fun activities

To access these free resources online, use the **QR code** or visit:

gradelevelreadingbaltimore.org/make-the-most-of-summer-break

Make a goal of doing one or two activities together each week.

Take part in the **Enoch Pratt Summer Reading Challenge**.

Explore music, arts, and dance at **local festivals and events**.

Tell a story or make up a story using the pictures of a book.

Have your child read to their favorite **stuffed animal**.

Have your child do a sheet of **math problems**.

Do a science project or an experiment with your child.

Have your child read or write a **poem or song lyrics**.

Have your child put on their own **play, musical, or puppet show**.

Read with your child...

...every day if possible!
You can read books with your child, but you can also read signs, food labels, ads, and more together. Reading is everywhere!
